My dear Sir.

As my proposed trip to Washington  
of June 2<sup>nd</sup> has been postponed, I will thank  
you to ask Mr. Hopkins to forward my picture to  
me here and enclose my check for \$5.00 - the  
sum named for cleaning it. He may send it C.O.D.  
and I will remit to him the expense of boxing  
when I am advised of the same. I should like,  
however, to have you see the picture when cleaned  
and I hope he will be able to bring it to you  
and then forward it from Washington.

Very truly yours

Dear Sir,

In examining the "St. Almain" collection on Thursday last I found the portraits of several persons to whom I related, and I now write to inquire whether you would permit your photographer to copy the same - and also what one or more copies of each portrait would cost.

The pictures I refer to are

No 358 Dr Ashton Alexander.

331 Alexander C Hanson. (not a FH  
as stated in your  
collection)

93 Josiah Turney

I have in my possession four original St. Almain's, Nos 527-750, 593, & 416 - two of whom Col Wm My Fitzhugh & Thomas Marshall are related -

Dear sir:-

I

have to acknowledge your favor of the 16th inst, and the picture which arrived in good condition a few hours later. It certainly looks very little like it did when I found it, and I think Mr. Hopkins has done his work very well.. You did not express any further opinion of it yourself, which I should be glad to have you do whether favorable or not, and would like to ask you whether you think it supports the supposition that it may have been painted by Rembrandt Peale now that it has been cleaned.

Thanking you for your kind interest and assistance, I am

Very truly yours,

*Geo. D. Seymour*
